JOINT RESOLUTION

July 29, 1954
[H. J. Res. 534]

To authorize the Secretary of Commerce to sell certain war-built passenger-cargo vessels, and for other purposes.

War built ves-
sels, etc.
Sale to American
President Lines,
Ltd.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Secretary of Commerce is hereby authorized, during a period of six months after the enactment of this Act, to sell to American President Lines, Limited, the war-built passenger-cargo vessels, the steamship President Cleveland and the steamship President Wilson, on an as-is where-is basis, at the sales price of \$6,500,000 per vessel and from such price there shall be subtracted, as depreciation, \$1,225 per day per vessel for the period beginning April 1, 1954, and ending with date of execution of the contract of sale of the respective vessel. Each such sale shall be on the basis of the payment of not less than 25 per centum of the respective vessel sales price at the time of the execution of such vessel sales contract, with balance payable in approximately equal annual installments over the remainder of the twenty-year economic life of the vessel with interest on the portion of the vessel sales price remaining unpaid at the rate of 3½ per centum per annum. The obligation of the purchaser with respect to payment of such unpaid balance, with interest, shall be secured by a preferred mortgage on the vessel sold, which mortgage may provide that the sole recourse against the purchaser of the vessel under such mortgage, and any of the notes secured thereby, shall be limited to repossession of the vessel by the United States and the assignment of insurance claims, if the purchaser shall have complied with all provisions of the mortgage other than those relating to the payment of principal and interest when due, and the obligation of the purchaser shall be satisfied and discharged by the surrender of the vessel, and all right, title, and interest therein to the United States. Such vessel upon surrender shall be (1) free and clear of all liens and encumbrances whatsoever, except the lien of the preferred mortgage, (2) in class, and (3) in as good order and condition, ordinary wear and tear excepted, as when acquired by the purchaser, except that any deficiencies with respect to freedom from encumbrances, condition, and class, may, to the extent covered by valid policies of insurance, be satisfied by the assignment to the United States of claims of the purchaser under such policies of insurance.
